Become a partner
of the largest HGV
european network

   [AS24.com/en](https://www.as24.com/en)

For more than 30 years,

AS 24, subsidiary of Total group has specialised in fuel distribution for transport professionals. With its network of stations dedicated to Heavy Goods Vehicles and its desire to facilitate the business of haulage contractors on a daily basis, AS 24 has rapidly established itself as one of the main European suppliers of diesel on the road.

If you have a gas station, a truck wash or a car park,
we have the customers!

Conditions to become an AS 24 partner: _____

To have an AS24 card accepted on a partner network, the partner should be able:

To process our EMV chip card

To have an authorisation server

To connect to our authorisation server via IFSF Host to Host protocol

*If you meet
these **3 conditions**,
we would be happy
to work with you.
Please contact us.*
