the road brings us closer

AS24

Become a partner of the largest HGV european network

[Twitter](#) [LinkedIn](#) [YouTube](#) [Facebook](#) [AS24.com/en](#)

For more than 30 years,

AS 24, subsidiary of TotalEnergies company has specialised in fuel distribution for transport professionals. With its network of stations dedicated to Heavy Goods Vehicles and its desire to facilitate the business of haulage contractors on a daily basis, AS 24 has rapidly established itself as one of the main European suppliers of diesel on the road.

If you have a gas station, a truck wash or a car park,
we have the customers!

Conditions to become an AS 24 partner: _____

To have an AS24 card accepted on a partner network, the partner should be able:

To process our EMV chip card

To have an authorisation server

To connect to our authorisation server via IFSF Host to Host protocol

If you meet these 3 conditions, we would be happy to work with you. Please contact us.

8 steps to set up a partnership

- 1** **Make a commercial contact** to discuss the opportunity of establishing a partnership. AS 24 will contact you as soon as possible !
- 2** **Following a validated commercial agreement**, a first signature of the NDA (non-disclosure agreement) will be required
- 3** **Technical discussion** to check if a development is possible
- 4** **The development can start** if the technical step is validated on both sides,
- 5** **Testing phase**
- 6** **Piloting phase**
- 7** **Deployment**
- 8** **Communication** on the new partnership using all of our marketing tools
